

110mm to 80/75mm Adapter

- Ideal for rainwater harvesting installations
- Enables the use of 80mm and 75mm plumbing pipe sizes if 110mm is not preferred
- Easy to fit

Acts as an adapter to connect 80mm or 75mm pipes to a JoJo rainhead or first flush rainwater diverter.

This one-of-a-kind adapter allows you to connect either 80mm or 75mm pipes to our standard 110mm rainwater harvesting accessories. Each rainwater harvesting installation is unique, and this adapter allows for more versatility to ensure the ideal solution for a variety of applications.
