### Terms and Conditions

\*This certificate is issued by P.E.S.C., based on P.E.S.C. ARMSA Quality Compliance Audits, job reference: JN1188. This certificate may be displayed for public viewing and shared to clients until its expiry date. By using this certificate, the company under audit agrees to one unannounced audit per annum which is on their account. Additionally, they also agree to follow all requirements as required by SANS1731:2017. Should the company under audit be proved to fail to meet the conformance criteria for P.E.S.C ARMSA Quality Compliance Audits post date of issue, P.E.S.C. or ARMSA reserves the right to withdraw this certificate until conformance of new products are achieved. This certificate is only applicable to the address of audit and may not be used for any other factories until compliance had been met. P.E.S.C. is an independent laboratory, following strict guidelines of ISO17025:2017. P.E.S.C. quality compliance audits are independent and conducted to the highest of standards, however, P.E.S.C. cannot be held liable for any quality non-compliance, company losses or damages in any way from the use of the certificate.
