Water Filtration Solutions

POINT-OF-USE

Countertop/Undersink Filter

Ideal for filtering water at a specific point of use, these filters have a modern design that is sure to blend in with any kitchen.

POINT-OF-ENTRY

Scale and Corrosion Inhibitor

A water conditioner (suitable for water of low to medium hardness) that prevents corrosion and protects your pipework.

POINT-OF-ENTRY

Whole-house Filter

This filter provides clean, safe water for your entire household.

Inline Filter

A filter that can clip onto your hose for access to clean water whilst camping or in instances where access to safe water is limited.
