

JoJo's quality commitment

We invest in designs, technologies and capabilities that uphold our purpose.

JoJo's popular water tanks comply with the national tank standard for water tanks, SANS 1731:2017 at all eight of our operations, and come with a 40-year-plus track record and 10-year warranty. Each JoJo tank is a quality, long-term investment designed to serve a purpose and add value.

UV-stabilised outer layer withstands the harsh African climate

Black inner layer prevents algae growth

BPA-free, food-grade layer prevents leaching of harmful chemicals and protects the quality of the water stored

No vertical joints or weak points in the layers for added strength

Greater thickness at the bottom of the tank provides the required strength to withstand the pressure from the liquid stored

Closely spaced ribs at the bottom of the tank provides added strength

Lids are secured with spring-loaded e-clips as an additional safety measure in the event that the tank overflows

Tanks are supplied with high-quality, practical fittings designed for use with our accessory range, to extend the versatility and allow for easy DIY installations

Tanks can be manufactured in a range of colours to suit various preferences and unique aesthetic requirements

Our colour pigments have the best weather- and light fastness properties for extended outdoor use without fading

Iconic contemporary design with unique sharp lines and finishes
