

# 1 800 Lt Vertical Water Storage Tank

## A big tank made for small spaces

We know one size does not fill all, so we designed the compact JoJo 1800lt Vertical Water Tank for maximum storage where space is limited. Visit our website for detailed installation instructions, DIY tips, maintenance advice and more.

## Product benefits

- 10-year quality warranty
- Made with the best quality virgin LLDPE
- UV-stabilised outer layer withstands the harsh African climate
- BPA-free, food-grade layer prevents leaching of harmful chemicals and protects the quality of the water stored
- Black inner layer prevents algae growth
- Greater thickness of polymer at the bottom of the tank provides the required strength to withstand the pressure from the liquid stored
- Closely spaced ribs at the bottom of the tank provides added strength
- No vertical joints or weak points in the layers for added strength
- Our colour pigments have the best weather- and light fastness properties for extended outdoor use without fading
- Lids are secured with spring-loaded e-clips as an additional safety measure in the event that the tank overflows
