Stock & Non-Stock Items

This icon indicates that a product is carried in stock with a **7 calendar day lead time**, subject to delivery constraints.

This icon indicates a product that is non-stock i.e. made to order and has a 14 calendar day lead time, subject to delivery constraints.

If neither of the above is listed next to a product, that product can only be ordered as a special order, and availability/lead time will then have to be confirmed with the relevant branch.
