**RECYCLABLE Components**

## For clean water throughout your entire home!

Our range of cartridges for the JoJo Whole-House 2-Stage Filter allows for different combinations to ensure filtration solutions for various household requirements.

Although this unit is suitable for municipal, rainwater and borehole water, it is important that the water source is appropriately controlled. Note: borehole water should be tested to ensure that it is safe for domestic use.

### Product details

- **Item code:**  
JJ-WH20-TWOSTAGE
- **Dimensions in mm:**  
670(h) x 210(w) x 380(l)
- **Total weight:**  
11.42 kg

### Pack contents

- 1 x Filter Housing One
- 1 x Filter Housing Two
- Rubber O-Ring
- 2, 1 x Filter Housing Cap
- 1 x Mounting Bracket
- Anchor Screws
- x 4, 1 x Housing Spanner

### How often should the filter be replaced?

- It is recommended to replace the PP Sediment filter every 6 months, the PP Activated filter every 6 to 12 months, and the Disruptor filter every 8 to 12 months.
- **Note:** because water quality, cartridge setup and volume of consumption varies, filter service life will also vary.

### Availability
